

## Welcome Andrea

You have received this newsletter because at some point we have had contact with each other. If you do not wish to receive this monthly update please click on the unsubscribe link at the end of this message.

Each month Miro HoUSE will fill you in with what's been keeping us busy, upcoming events we are working on and opportunities for collaboration. This newsletter is compiled for all those at the coalface of fashion, hospitality and events. Enjoy.

Australia is arguably one of the best places in the world to spend summer. And we at Miro HoUSE made sure we imbibed the best of Sydney's climate, beaches, kerbside watering holes and feeding pens. Now that summer has pulled the drapes and retailers eagerly display winter woollies, we reflect on what happened for us during those balmy months. And what do these blissful autumn days have in store?

During March we welcomed another body to the office, Debbie Spellman, whose talents are laying the foundations for our plans to ramp up operations and pave the way for new ideas. Some of you will find yourselves speaking to Deb in the coming weeks as we organise and plan our events so get to know her, we like her.

March kicked off with a bang as we jetted around Sydney giving Rizer, Zanerobe and Trivett our special dose of front of house magic. And Melbourne hosted us very well, thank you, for the Myer Fashion Launch. More on those events [here](#).

### Jo & Willy's Depot - North Bondi

This local family run cafe with ocean views ticks all the boxes of a quality establishment at all the usual grazing times, including all day breakfast. Depot has now opened its doors to provide Bondi with another reason why we love intimate wine bars. Read the full story [here](#).

## RED CARPET

### The Rum Diaries 1st birthday

Reflecting on a whirlwind first year in business The Rum Diaries provided an intimate get together to celebrate their success.
